

RETAKE

OH ~~FRANKNESXXXOF~~ LIGHT WEIGHING OF:

WHOLE FIRST PARAGRAPH.

Oh light weighing this 1st
day of Spring,
Remain with me
Even when the smoothness and
freshness of ~~my~~ youth is gone.

*Begin when he
+ was his head
and - when - short.*

[The day begins with all my heart;
To the pulse 72 times a minute,
the throb 4320 times per hour,
and desire 100,000 times a day;
[with love passing, passing
37,000,000 times the year.

On week
[Oh, Spring, I am not afraid of
death,
I do not know what lies beyond.
Like love I do not ~~know~~ know
When it will arrive ---
How long it will stay.
